Bringing Gaming, AI-Driven Crypto Tools, And Rewards to Telegram.

Koaland is a Telegram-based blockchain game where players engage in an immersive adventure with daily spins, rewards, and AI-driven crypto insights.

By combining gaming with blockchain technology, Koaland aims to redefine engagement for both gamers and crypto enthusiasts.

www.koalandgame.com

Discover the World of Koaland

A journey to protect a mystical land with our hero, the Koala.

Players join a heroic koala on a mission to protect a mystical land from dark forces, setting the stage for a unique and engaging gaming experience.

Through daily challenges and interactions, players progress in and are rewarded for their efforts.

Gameplay & Key Features

Engaging Gameplay with Unique Features

A blend of adventure, strategy, and rewards.

I

Daily Spins: Earn rewards, unlock character upgrades, and progress.

II

Leaderboards: Compete with players globally for top spots and special prizes.

III

Invite Friends: Earn additional rewards by inviting friends to join Koaland.

In-Game Events and Airdrops: Participate in exclusive events for even more rewards.

AI Tools - Analysis Tool

AI-Driven Analysis for Real-Time Crypto Insights

Market insights at your fingertips.

The Analysis Tool allows players to type commands (e.g., /btc, /eth) to receive detailed information on cryptocurrency prices, support and resistance levels, short- and long-term analyses, and price prediction graphics.

Supported in multiple languages (EN, TR, DE, FR, CN), Koaland ensures accessibility for a global audience.

This tool leverages CoinMarketCap data combined with AI-driven insights, providing reliable and real-time analytics.

AI Tools - Portfolio Management

Personalized Portfolio with Custom Alerts

Set alarms, monitor, and track favorite assets.

The Portfolio Tool enables players to build a custom list of crypto assets, set price alerts, and receive notifications when targets are met.

Initially, users can set alarms for up to 5 coins.

Portfolio Packages can be minted for an expanded range:

Package 1: 10 coins for 1 TON

Package 2: 20 coins for 3 TON

Package 3: 30 coins for 5 TON

Airdrop & Community Engagement

Rewarding the Community with Airdrops

Play, invite, and earn with Koaland.

Koaland offers airdrops to reward active participation and engagement.

Players can invite friends to increase their rewards, fostering a community-driven environment.
